MOHAMMED HASHIM

Data Analyst

+91 9048549066 | hashim.datas@gmail.com | Thrissur, Kerala, India

mohammedhashim.in | LinkedIn | GitHub

PROFESSIONAL SUMMARY

Results-driven Data Analyst with hands-on experience processing and analyzing datasets exceeding 10,000+ records to deliver actionable business insights. Proficient in Python, SQL, Power BI, and Excel for end-to-end data workflows including cleaning, exploratory analysis, visualization, and predictive modeling. Built machine learning classification models achieving 85%+ accuracy and designed interactive dashboards that support data-driven decision-making. Holds an Executive Post Graduate Certification in Data Analytics from Intellipaat in collaboration with IIT Roorkee.

TECHNICAL SKILLS

Languages & Tools	Python (Pandas, NumPy, Scikit-learn) · SQL (MySQL) · Power BI · Microsoft Excel · Git · Jupyter Notebook
Analytics Skills	Data Cleaning · Exploratory Data Analysis (EDA) · Predictive Modeling · Dashboard Development · KPI Reporting · Machine Learning
Soft Skills	Problem Solving · Communication · Leadership · Time Management · Team Collaboration

CORE SKILLS

Programming	Python (Pandas, NumPy) · SQL
Visualization	Power BI · Excel (Pivot Tables, Charts)
Analytics	EDA · Statistical Analysis · Data Cleaning
Machine Learning	Classification Models · Model Evaluation
Business Skills	KPI Analysis · Reporting · Decision Support

WORK EXPERIENCE

Data Analytics Intern | *Intellipaat (IIT Roorkee Collaboration)* 2025

- Performed EDA on datasets containing 20,000+ rows using Python (Pandas, NumPy) to uncover trends and anomalies.
- Built a Logistic Regression classification model achieving 85%+ prediction accuracy using Scikit-learn.
- Developed interactive Power BI dashboards to visualize KPIs and business insights for stakeholder reporting.

Business Development Associate | *RedTeam Hacker Academy* 2025

- Analyzed weekly sales datasets of 1,000+ leads to monitor conversion funnels and identify growth opportunities.
- Built Excel dashboards to track revenue KPIs and automate weekly performance reporting.
- Contributed to a 7-month tele-sales cycle supporting business growth targets through data-backed decisions.

Junior HR Assistant | *Manappuram Finance Limited* 2024

- Managed and validated 500+ employee Provident Fund (PF) records ensuring 100% compliance accuracy.
- Maintained and structured Excel databases containing 10,000+ employee records across multiple departments.
- Generated monthly compliance reports supporting internal audits across PF, e-Security, and Personal File sections.
- Operated as cashier and cross-trained across five HR sub-departments, demonstrating versatility and adaptability.

Software & Hardware Assistant | *WE4YOU* 2019 – 2021

- Provided technical support, handled billing, and assisted customers in a computer and laptop servicing environment for 6 months.

PROJECTS

Sales Analytics Dashboard | *Power BI, Excel*

- Built an interactive Power BI dashboard analyzing 10,000+ sales records to identify regional revenue patterns and product performance trends.
- Enabled data-driven decision-making for sales leadership through dynamic filters, drill-down views, and KPI cards.

Customer Churn Prediction Model | *Python, Scikit-learn, Pandas*

- Developed a machine learning classification model to predict customer churn, achieving 85%+ prediction accuracy.
- Applied feature engineering and model evaluation techniques (confusion matrix, precision, recall) to optimize performance.

SQL Business Intelligence Exploration | *SQL (MySQL)*

- Used advanced SQL queries — joins, aggregations, subqueries, and window functions — to extract actionable business insights from structured relational datasets.

EDUCATION

Executive PG Certification in Data Analytics | *Intellipaat × IIT Roorkee* 2025

Advanced coursework in Python, SQL, Machine Learning, Power BI, and Statistical Analysis.

B.Com Finance | *Thara nanellur Arts and Science College* 2021 – 2024

CERTIFICATIONS

- Data Analytics Assessment – Intellipaat
- Microsoft ML & Malware Detection (ML)
- Data Analyst Skill Certification – One Roadmap
- Predictive Analytics Mastery Assessment
- Power BI Workshop – Completion Certificate
- MS Office (Word, Excel, PowerPoint) Certified

ACADEMIC RESEARCH

A Study on Problems of Women Entrepreneurs in Thrissur District

- Conducted primary data collection through surveys and interviews with women entrepreneurs across Thrissur district.
- Analyzed qualitative and quantitative data to identify key barriers and presented findings at college viva.
